

Second Grade Snow Day BINGO

This year up to 5 of our snow days will be counted as virtual-learning days in place of using a calendar make-up day. Each virtual-learning day, students will be expected to complete a "BINGO" on the board (located on the back of this letter) by completing an activity from each column. Please sign off on each activity your child completes. **Students may get a BINGO across only.** We will use the same BINGO card for each virtual-learning day. Students need to complete a different BINGO row each virtual-learning/snow day.

*** PLEASE KEEP THIS IN A SAFE PLACE. IT WILL BE USED FOR UP TO 5 VIRTUAL-LEARNING/SNOW DAYS.**

All students need to complete a BINGO on each virtual-learning day, and return the activity sheet to class on the next school day. Students who do not complete a BINGO at home will need to complete it at school during recess or free time.

If you have any questions you may either email me, or contact me through Class Dojo.
